NOTES FOR APPLICANTS

1. GRADES OF MEMBERSHIP

Section 17 of the Chemists Act reads as follows:

- 17. (1). Membership of the Institute shall be one of three grades, namely Fellow, Member, and Licentiate.
- (2). A person shall, before admission as a Fellow, satisfy the Council that he has
 - a) a degree, or any equivalent academic qualification, in chemistry or in any specialized discipline associated with chemistry from one of the examinations listed in the Second Schedule;
 - b) practical experience in chemistry of not less than ten years;
 - c) made a substantial contribution to chemistry; and
 - d) attained thirty-three years of age or such lesser age as the Council may, in any special case, allow.

2. QUALIFYING EXAMINATIONS (SECOND SCHEDULE OF THE CHEMISTS ACT)

The qualifying examinations of the Institute are: 1. The final examinations of the Institute. 2. Any examination anywhere or part there of recognized by the Government, after consultation with the Institute, as being equivalent to or higher than the final examinations of the Institute.

(Not relevant to Fellow Application)
