

CHEMICAL & OCCUPATIONAL SAFETY & HEALTH COMMITTEE (COSHC)

On 29 November 2021, the Chemical & Occupational Safety and Health Committee (COSHC) accepted a proposal for OSH-related articles from IKM members to be published in Berita IKM. The objectives of such publications are:

1. To create OSH awareness among IKM members;
2. To encourage IKM members to participate in submitting OSH-related articles; and
3. To nurture writing short articles on OSH-related matters.

COSHC would like to take this opportunity to invite IKM members to submit articles or any editorials on OSH-related matters for publication. All articles will be reviewed by the Editorial Board to ensure the quality of such articles.

Please submit the OSH-Related article via this email

jayasilan@kimia.gov.my ; jaya5131@hotmail.com (Jayasilan A/L Sinnathurai)
