

CHEMICAL & OCCUPATIONAL SAFETY AND HEALTH COMMITTEE

WEBINAR ON SAFETY IN THE LABORATORY & RISK ASSESSMENT

10 & 11 FEBRUARY 2022

9.00 A.M.

PLATFORM : ZOOM
MEETING I D : 876 4936 3853
PASSCODE : 069031

OBJECTIVES:

- I. To educate members and the public about occupational safety and health in order to produce knowledgeable workers capable of implementing safe and healthy work culture in Malaysia.
- II. To provide a professional knowledge exchange channel that bridges the gap between chemists and the general public.
- III. To understand the importance of Risk Management practices and its implementation.

Day 1: 10/02/2022
Theme: Risk Assessment

SLOT	TOPIC	SPEAKER
1	Plenary: Basic Hazard Identification, Risk Assessment & Risk Control (HIRARC) Duration: 1½ Hour (9.00 am – 10.30 am)	Prof. ChM Dr. Mansor Ahmad, UPM
2	Risk Assessment in the Laboratories Duration: 1½ hour (10.30 am – 12.00 noon)	ChM Mohd Norhafsam bin Maghpor, Technical Expert III, NIOSH

Day 2: 11/02/2022
Theme: Safety in the Laboratory

SLOT	TOPIC	SPEAKER
1	ISO 45001 Implementation at the Department of Chemistry Malaysia Duration: 1 hour (9.00 am – 10.00 am)	ChM Aidil Fahmi bin Shadan, Department of Chemistry Malaysia
2	Laboratory Safety Implementation at the Department of Chemistry Malaysia Duration: 1 hour (10.00 am – 11.00 am)	ChM Zawiyah binti Zainal Abidin, Department of Chemistry Malaysia
3	Laboratory Management of Covid-19 Samples Duration: 1 hour (11.00 am – 12.00 noon)	Dr. Sharmilah a/p Kuppusami, Department of Chemistry Malaysia
