

Apply to attend the 3rd Commonwealth Chemistry Congress in South Africa, May 2025

Are you an **Early Career Chemist**? Does your work or research contribute to the UN Sustainable Development Goals (SDGs)?

*(Early Career Chemist - **IKM member** in the early stages of their career; **up to 10 years after completion of PhD** excluding any career breaks)*

We are looking for **three early career chemists** to represent **MALAYSIA** and present their work at the **3rd Commonwealth Chemistry Congress in South Africa, 11–14 May 2025**. Successful candidates will receive funding to attend the Congress and present a flash presentation and poster on their research, related to one of the three scientific themes.

➤ **Zero Hunger (SDG 2), Good Health and Well-being (SDG 3)**

Topics include biodiversity, natural products, food chemistry and security, agriculture, medicinal chemistry, drug discovery, and good health and well-being

➤ **Affordable and Clean Energy (SDG 7), Responsible Consumption and Production (SDG 12)**

Topics include sustainable energy solutions, new materials, biofuels, green chemistry, and catalysis

➤ **Clean Water and Sanitation (SDG 6), Climate Action (SDG 13)**

Topics include water treatment and supply, tackling pollution and contamination, and environmental chemistry

Send us your completed [APPLICATION FORM \(click here\)](#) by **16 September 2024** to ikmhq@ikm.org.my.
